Help us improve MetaMask

MetaMask would like to gather usage data to better understand how our users interact with the extension. This data will be used to continually improve the usability and user experience of our product and the Ethereum ecosystem.

MetaMask will..

- ✓ Always allow you to opt-out via Settings
- ✓ Send anonymized click & pageview events
- ✗ **Never** collect keys, addresses, transactions, balances, hashes, or any personal information
- ✗ **Never** collect your full IP address
- ✗ **Never** sell data for profit. Ever!

This data is aggregated and is therefore anonymous for the purposes of General Data Protection Regulation (EU) 2016/679. For more information in relation to our privacy practices, please see our [Privacy Policy here](#).

Step 8: You can watch a short video to learn about your Secret Recovery Phrase and how to keep your wallet safe. After watching that video, click next to obtain such a screen. Click on the “lock” to obtain a list of words. Keep the secret recovery phrase with you and do not forget/misplace it. Copy it somewhere to keep a track of the order of the words. Once this is done, choose “Next”

Step 9: Below this screen, you will observe a list of words which are a part of your secret recovery phrase. Select these words in the order of their appearance in your secret recovery phrase. Post this, choose the “Confirm” option.

Step 10: Congratulations! Select “All Done” and start using your metamask wallet!
